Terms & Conditions

12% commission

The total commission will be calculated after the group is updated and will be paid as agreed in the payment terms of the contract.

5% bonus cash towards your repeat program (example: \$100,000 program earns \$5,000 off a future program)

The 5% bonus cash is available for programs booked through 2022. The repeat program must be completed within two years, no later than December 20, 2026. Earned 5% bonus cash will be calculated based upon the total room revenue booked by the group and actualized at the end of the program. The 5% bonus cash is based on a program of equal or greater value. If the repeat program actualizes less than the first contracted group program, the 5% bonus cash will be based on the lesser program. The 5% bonus cash is based on the end-user company who is operating the program with Iberostar, not a third-party intermediary. If the company decides to not use the same third-party intermediary, it will be up to Iberostar Hotels & Resorts to verify, at the time of contract, whether the 5% bonus cash applies. The 5% bonus cash is not an override commission and cannot be applied to the master account for F&B extras. 5% bonus cash is not applicable to buyouts where a special price is negotiated.

One complimentary room for every 25 paid

The complimentary room is calculated after the program has actualized and will be reflected and credited on the final invoice. The max rooms per night that can be earned is 8 rooms on peak nights.

One complimentary upgrade to the next available category for every 25 paid

The upgraded room is subject to availability at contracting and agreed to by both parties. There is no maximum to how many upgrades can be earned.

Up to four complimentary room nights for site inspection

4 room nights for planner and/or end user/client for a site inspection is based on availability and potential program must be at least 75 rooms nights on peak and a 3 night minimum to qualify. Additional nights needed will be negotiated and given a planner reduced rate and quoted by the Regional Sales Manager.

One complimentary staff room for the meeting planner

Valid for groups with a minimum of 20 rooms per night for the meeting planner, non transferrable. Complimentary staff room will be offered 1 day pre the peak start date of meeting for pre con meetings. Any additional staff rooms are negotiated at contracting and will be 20% off the group rate. Staff rooms are non commissionable.

3 night certificate

Program must actualize at least \$75,000 in revenue to qualify. Bonus is issued in the form of a certificate and is good for a resort in an equivalent segment within the Iberostar Hotels & Resorts portfolio of resorts. Valid for two persons in a standard room. Upgrades are available for an additional fee and are due upon check-in. Adding children or other guests will incur additional fees based upon the rate for that period of travel. Entire offer is based upon availability and blackout dates apply. Certificate is valid for travel one year from group departure and must be completed by that date. Certificate must be provided to Iberostar for redemption. To redeem certificate, the recipient must contact Iberostar via the number provided on the certificate. Once the certificate has been received and verified, Iberostar will send a confirmation of the reservation. All additional fees must be paid to the resort at check-in. Certificate does not hold any cash or commercial value, cannot be sold and is non-transferable.

Meeting room rental fees waived for all new MICE bookings for 2022-2024

Meeting room rental fees waived for all new programs booked through 2024. The space requested is based on approval by Regional Sales Manager and rooms to space ratio will be considered when adding as complimentary. Once an agreement has been made that the space requested is in line with the rooms ratio it will be added to contract as agreed by both parties. If the group has a lot of space needs there could be minimum charges as needed and agreed too at contracting.

50% off coffee breaks for groups over \$50,000 in room revenue
